

2020 DODGEGARAGE.COM RACE EVENT GUEST GUIDE

WINTERNATIONALS . POMONA, CA

February 6 - 8, 2020

The NHRA season kicks off at the home of the NHRA, the Pomona Fairplex. Located 30 miles east of Santa Monica and 30 miles north of Huntington Beach, this track and its neighborhood are a historical drag racing hub. Because of the dense L.A. traffic, anyone going to the race will most likely want to find a hotel within 5 miles of the track. The two listed here are close by and currently used by race teams. So, who

knows who you may run into in the lobby during your morning coffee! The restaurants listed are also close to the track and provide a delicious taste of traditional SoCal regional cuisine. Our places of note include the NHRA Museum (located at the track), a must-view for any fan, and two others that require significant time but will be worth it.
