

# FIRST-PLACE WINNER: ISTVÁN DÖMÖK

Our first-place winner happens to be from an area where there are no Dodge dealerships around. Congratulations, István Dömök, from Budapest, Hungary, on your first-place victory with 298 votes!

**City and State of residence:** Budapest, Hungary

## **All-time favorite Dodge/SRT®:**

SRT® Hellcat Redeye and, of course, the 2018 Dodge Challenger SRT Demon.

I hope to one day own a Dodge Challenger SRT Hellcat Redeye Widebody. For me, no car brand in the world has made a more perfect car (and they won't!)

## **Who is the person who has most inspired you?**

Not so much a person, as it is Dodge and the Dodge Challenger that inspire me.

## **How did you come to acquire your winning vehicle?**

I bought it from a friend who brought it here to Hungary from the United States. When I saw the T/A 392, I immediately fell in love. I asked my friend that, if he decided to sell the car, if he would sell it exclusively to me. He did.

The T/A 392 is in full factory condition, it hasn't been modified at all because it is so perfect as is.

## **How did your automotive passion begin?**

I've been a fan of Dodge since childhood, specifically Challengers!

Here in Hungary, there is a Dodge Challenger and Charger Owners Club, where we hold meetings with other Dodge owners and fans. We take a lot of photos and videos of the car. I think I am Hungary's biggest Dodge fan. If I have a bad day, I just drive my T/A 392, and my worries disappear.

## **To whom would you like to dedicate this win?**

I offer this victory to the Dodge Brothers and to all the employees at Dodge. Without them, I would not be the happy owner of this perfect muscle car. Thanks and all due respect to them!
